

# Sweet Pea Newsletter

February 2019

There will be a few changes to our Sweet Pea team this month. We are saying our goodbyes to Georgie our fellow teacher and closer, Marissa will be taking the closing position in our room. You have probably seen her in our classroom lately!

As the weather warms up, we would like to start going for our morning walks again. Please remember to bring in jackets, socks, and shoes for the older ones so they can go play with Sprouts! If you are not sure if you have a signed field trip permission form, please ask us for one.

Keep an eye out for next class party date! We will put out a sign-up sheet for food, as we do pot luck style. This time will be used for parents to meet each other, to get to know us, and to become familiar with the classroom.

## **REMINDERS:**

- No glass bottles.
- Our open door policy! Feel free to talk to us about any questions or concerns.
- With all our new babies please remember to keep the door from clicking when you are coming in and out. If you need help, we are more than welcome to help you.
- If you are here full time, sheets go home every Friday! If you are only part time we alternate weeks that we send them home.

Love Sweet Peas,

Sandra, Melissa, Cecilia, & Marissa
