

# Peacock Newsletter

March 2019

## Curriculum

In February we spent a lot of time learning about friendship and love. We celebrated Black History Month and learned about Martin Luther King, Audrey Fredrickson, George Washington Carver and Ruby Bridges. We had a great Valentine's Day Party, thank you for bringing in the items we needed for a good project!

In March we will start learning about Spring and all the things that come with it!

## Reminders

**Nap Time**- At nap time we ask that all the Peacocks rest their bodies for about 30 to 45 minutes. However, if you would like for you child not to nap, please tell the PK team as soon as possible and we will do our best to meet your kiddo's needs.

**Water Bottles**- Please make sure your child is ready for the day with a fresh, clean water bottle. Also, if anyone has any extra water bottles that you are not using and can donate, we are looking for some to keep in our class for when we need extras!

**Donations**-Thank you so much to everyone who has donated items to our class! We are also looking for some board puzzles that are in good shape, we love doing puzzles! We are also looking for donations of toilet paper and ivory bar soap, we are going to make clean mud!
