

Sprout Newsletter

March 2019

Now that the weather is starting to warm up, the Sprouts are enjoying more time outside! With that we ask that you bring your child in weather appropriate clothing as well as a light jacket and swap out winter clothes in cubbies for lighter options in case they need a change.

The Sprouts would like to wish you a very happy St. Patrick's Day on March 17th! Don't forget to wear something green!

We will conduct home visits the second week of March (11th-15th). We will have a sign-up sheet on the sign in/out clipboard for home visits if you are interested. If you have any questions about what a home visit entails, please don't hesitate to ask one of the Sprout teachers!

Remember it is **super** important to take home and read your child's daily sheets. They include diaper changes, what your child may need, and what your child has eaten throughout the day as well as other important information. We also ask that families take home their child's water bottle every day so that it can get cleaned and filled with fresh water for the following day. If you have any questions, concerns, or recommendations please let us know. We are here to help our Sprouts thrive!!!
