

 **Sprout April Newsletter** 

Hello Spring!

Now that the weather is getting nicer and the sun is staying out longer, we will be applying sunscreen before we go outside in the morning and in the afternoon. We are looking forward to planting flowers in our garden bed outside of the classroom. Sprouts really enjoy spending time outside and it is great large motor practice! We

ask that you please bring your child in with appropriate clothing and shoes for outside play time. We know the weather can be a bit tricky at times, so if you'd like to bring your child in with warmer clothing and keep extra clothes in their cubby, we would be happy to change their clothes throughout the day if needed.

It is also really important to check your child's folder and take home their daily sheet. The folders contain important documents such as incident reports as well as their artwork. The Sprout team has been thinking about sending text messages as another way to remind parents when their child needs something such as, diapers, wipes, cream, sunscreen etc. If you are interested in receiving text messages, please let us know and make sure we have your updated contact information.

As always, if you have any questions please don't hesitate to ask! We are here to help and support your child through their learning!!!

Work Day will be on Saturday, April 6th. If you'd like to come and help us clean out our classroom please let us know!

Love,

Sprouts Team: Bev, Raylynn, Anahi, & Elaine
