

Pumpkin Eater Newsletter

May 2019

Happy May! The theme this month will be **BUGS!** We will be learning about different kinds of bugs and what they eat and where they live. If you have any materials related to this theme please bring them to share with the Pumpkin Eaters. Thank you!

We will be having our annual **Spring Gala and Silent Auction on Friday, May 10th!** Join us for kid's performances, food, drinks and fun! If you plan to come to Gala, we suggest that you leave your child for the entire day; a second drop-off or a short visit can be very difficult for the children. Thank you for understanding.

As summer approaches, it is getting warmer and warmer! We will be starting water play soon. We will need swim diapers (if your Pumpkin Eater isn't potty trained) and/or a swim suit!

Reminders: Please bring in a fresh water bottle daily and make sure your child has a sun hat and up to date sunscreen!

La Puerta will be **closed** Monday, May 27th for Memorial Day.

Your Pumpkin Eater Team,

Ivi, Stephanie, Sam and Amanda
