## June 2019

### Happy Summer Panda Families!

We cannot believe how fast the months are flying by. We would like to thank you all for attending our Spring Gala. We had a ton of fun!

Last month, we enjoyed learning all about insects. We even got to explore some insects outside on the playgrounds. We are even more excited to see our tiny caterpillars turn into painted lady butterflies. Ask your Panda where in the classroom they are located. This month, we will be learning all about Sea Life. We can't wait to get started.

We thank you for your continued support,  
The Panda Team,  
Erica, Vicki, and Megan

### Reminders

-Please check the Needs & Reminders chart daily. This is where you can see if your child has wet clothes, needs diapers, or needs sunscreen. It is located next to the sign-in sheet.

-We cannot say this enough but PLEASE, PLEASE, PLEASE, LABEL EVERYTHING even if it is with tape. We often do not know what belongs to who if it is not labeled. If your child is missing something please check the lost and found bin.

### Upcoming Events

- We are starting our water play day on June 3<sup>rd</sup>. We will have water play every Monday in June and July.

What to bring:

- Your child in their swimsuit with sunscreen applied
- A towel
- A change of clothes

### HAPPY BIRTHDAY!

Erica!
