Our field trip to the aquarium is coming up soon! We plan on going the 12th of July at 9:00 am and should return around 12:30 pm. I have put in a request for the 12th but I had to put in a secondary day of the 11th just to keep this in mind. We do need parents to drive as we are not allowed to transport children. There is a sign-up sheet by the sign in area. We will be having lunch in the park of the Bio-Park so do please bring a lunch for your child to enjoy. Also be sure to send them with sunscreen on and possibly a hat.
