

Sprout Newsletter

July 2019

Theme for the month: **Water!**

Happy 4th of July!

It's officially summer! We are happy that we get to spend more time outside, and enjoy the warm weather. For summer we incorporate water play as much as possible, so we will plan different water activities for Sprouts to enjoy each week to stay cool in the heat. That being said, we ask that you please bring in swimmers and extra clothes for your child. Also, please make sure that your sprout has a hat and clean water bottle daily, we spend a lot of time playing outdoors and it's important to stay cool and hydrated!

*******LABEL ALL ITEMS AS YOU BRING THEM IN*******

Please check your child's daily sheet when you pick them up! Daily sheets contain important information about your child's day and whether they need diapers, cream, wipes, sunscreen, etc.

Parents if at any time you have extra diapers that no longer fit your child, we would be happy to take them as extra's for our classroom. Thanks!

As a reminder we will be closed July 4th and 5th

Sprouts team,

Bev, Anahi, Elaine, Nicole
