August 2019

Happy August Pumpkin Eater Families!

This month's theme is **Summer In The Sea!** Our classroom will turn into an awesome ocean and all things sea life. Water Play is coming to an end this month, however we will continue to do water sensory activities with the children inside and outside the classroom.

Thank you to all who came for Melons, Mulch, and Music, it was a blast! Our Pumpkin Eater garden is doing wonderful, we have many vegetables and plants growing right now. If you haven't checked it out yet, it is outside our back door under the tree. The Pumpkin Eaters have done such an amazing job taking care of it!
