## September 2019

We cannot believe that Fall is almost here! With Fall, comes a new school year and we are excited to start!

Last month, we had lots of fun getting to know more about ourselves and about our new friends. This month our theme is going to be "Farm." We have a lot of fun activities planned for this month. As always, we welcome any ideas from parents around our theme. We also welcome any parents who would like to come in and do an activity or read aloud with the Pandas. Just speak to a Panda teacher if you are interested.

We would lastly like to welcome all of our new Pandas and their families to our room! With that we would also like to send our best wishes to the Pandas who have moved up to the SH classroom, we will miss you! This will be our last transition of the year. We can't wait to start our new school year with everyone!

As always, we thank you for your continued support!

The Panda Team,  
Erica, Vicki, and Megan
