

Peacock Newsletter

September 2019

Hello parents and welcome everyone to the peacock class!! It has been an awesome beginning with all of your kids and has been so much fun getting to know all of them! We had a super month learning about dinosaurs, space, and finished learning more about the kiddos. Next month we will be doing a unit on getting to know me where we get to talk about how we are all similar and all different then we will move on to learning about what happens in the fall.

Reminders!

>Don't forget to join the **Class Dojo** this is a great place where we post photos and videos of your kids having a great day! This really helps if you are wondering how your child's day went and if they are having fun (because they are truly having a blast)!!!

Welcome to the Peacock class!

All of our new Peacocks and their families!!!

Its going to be a fantastic year!
Your off to great and big things!

Dates:

September 2 Closed for Labor Day
