## November 2019

### Reminders

We would first like to thank Linda Paul (Everett's Nana), for coming to read some Fall books to our class. We greatly appreciate the time and effort our parents have been putting into the Panda class. The Pandas really enjoy seeing their family members doing different activities with the class. If you are interested in doing an activity around our theme, please see a Panda teacher.

Last month, we had a ton of fun learning all about Fall and Halloween. We also had so much fun making everything that went on our door. If you did not know, the Pandas won the first ever door decorating contest. YAY!

This month our theme is going to be, **Outer Space and Thanksgiving**. This is our first year doing an Outer space theme so we would like to ask if anyone would be willing to donate any space related books or puzzles to our class. We would appreciate it!

Thank you for your continued support!

The Panda Team,  
Erica, Vicki, and Megan

- Please remember that we do lots of messy activities in the Panda class. We ask that you do not bring your child in clothes you do not want them to get dirty in. We do our best in making sure to only use washable materials but sometimes they do stain.

-Make sure to change the clothes in your child's extra clothes bin to ones that suit the weather. Thanks!
