November 2019

Hello parents! It's gotten quite chilly lately, make sure your child is dressed for the weather we will continue to play outside! It has been a fun October with all of the cool things we have done! We learned a lot about Dia de los Muertos with our door decoration. We also got to do a lot of science experiments! In the next month we will be learning about what changes happen in the fall and saying thank you in different languages. We will also be doing lots of gross motor activities inside.

In case you hadn't noticed, Amanda hasn't been in the class recently. We all decided to change things around and now she has joined the Roadrunner team. We wish her well! Feel free to pop in and say hello! We would like to welcome Megan to the Peacock class. If you haven't had a chance to meet her, please introduce yourselves!
