

Sweet Pea Newsletter

January 2020

Welcome back Sweet Pea families!

We hope you enjoyed the extra time with your families over break. You have all been missed. We look forward to starting the new year with you.

We would like to welcome Cece back into the classroom—her surgery and recovery was a success! Additionally, please help us give a warm welcome to our newest Sweet Pea teacher, Kristen! She joined La Puerta in November and has found a permanent spot here in Sweet Peas where she has already begun going above and beyond for our babies. We are excited to have her. If you have not already met her, please take a moment to say hello so that she may get familiar with all of your wonderful families.

Reminders!

We ask that all families, even those of you that are part time, take bedding home weekly to be washed. It is officially sick season, and with so many new germs floating around school we want to take as many precautions as possible for ALL of our children here at LP. This includes reviewing our sick policy, and alerting staff or admin when your child is sick and what they are sick with. If we know what we are fighting we are more prepared to avoid spreading it. If you have any questions about policy please feel free to come to us, or any admin on site.

Keep a look out for flyers about our class dojo. The class dojo is an online tool we can use to communicate about children, events, and classroom information as needed. The flyer will hold more information if you have any questions or concerns.
