

LA PUERTA DE LOS NIÑOS

Woohoo, we made it through our first month after reopening!! Thank you to everyone for making this transition as easy as possible for us.

Please remember that drop-off between 8:30-9 is our busiest time because everyone is trying to get here for breakfast. Please be patient if you're dropping off between those times, stay in your car, and move forward as other parents leave. It is always helpful when you assist us getting your children out of the car, and much appreciated.

When doing pick-up, we ask that you do not call until arriving at La Puerta. If we collect your child(ren) and you're still not here when we bring them out, this causes a back-up.

Any illness that you are called to pick-up your child for will result in the administration asking you to keep them home the next day. We're trying to keep all illnesses out of La Puerta, not

just Covid, so please respect this this policy.

Thank you to Dave Eichorn for taking on the task of La Puerta's new maintenance man. We already love what you're doing around here!!

If you're out and about and see disinfecting wipes, or non-latex gloves, these are the items that are the hardest for us to come by. We're happy to accept donations, but will reimburse you if a receipt is provided.

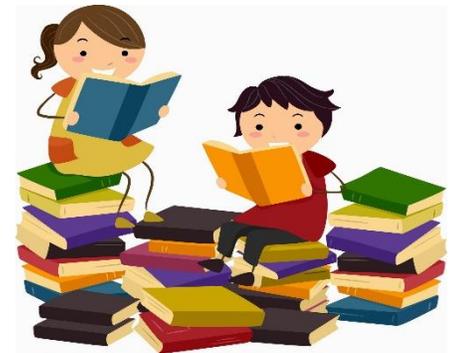

La Puerta will be hosting an online bookfair through Usborne August 17th-29th. We will receive a credit valued at 50% of total sales. Keep an eye out for more information.

Many board members have either graduated or decided not to return at this time. Board meetings will still be held on the 4th Thursday of the month from 5:30-6:30 through Zoom.
