

## Seahorse May 2021 Newsletter

**Our theme this month is going to be Planting and Gardening!**

With the weather getting warmer we will be interacting with our planter boxes more and tending to our garden, as well as talking about the lifecycles of the plants.

We have new friends! We are welcoming Alden, Blake, and Jiraiya, as well as their families into the Seahorse class from Pandas.

**Please wash your child's masks, and send an extra mask with your child in case they need to change their mask for any reason.**

With the weather warming up, we'll be bringing out the hoses, and we just want to make sure that everyone is bringing extra clothes incase their child gets wet or muddy.

We also would like to remind everyone if your child is sick to please keep them home. We are all doing our best to stay safe and healthy in these uncertain times. What you think may just be a cold, could be worse, and they could pass it on to the other children or the teachers.

### Reminders:

**PLEASE LABEL EVERYTHING!**

(water bottles, blankets, extra clothes, etc.)

**WASH NAP STUFF EVERYDAY!**

Make sure your child has a water bottle every day.

Please send your child in weather appropriate clothes.

**Happy Birthday Max and Theo!! (05/05)**

If you have any questions or concerns please feel free contact us through our Class Dojo/email, or you can call/email admin! Thank you!
