

Peacock's July 2021 Newsletter

Hello Peacock families we are in full swing of summer and boy is it a hot one! June was such a fun month! We learned so much about the ocean and sea life! Our first few water days went great too! It was also amazing to see all of you in person as the state starts to open back up again and you came to drop off your children!

Coming up in July our theme will be jungle and safari! We will be talking about all the animals that live in the jungle and how people learn about and interact with them! At the start of July, we will also be learning about the Fourth of July! We will talk about why people fly all sorts of different flags and reflect on what makes us proud to be ourselves!

Reminder that every Wednesday is Water Day! Make sure to send you child(ren) in with a bathing suit, clean towel, and change of clothes so they can enjoy water day to the fullest!

Additionally, every Friday is Show and Tell! Keep an eye on the whiteboard to see what the theme for Show and Tell is each week!

Finally, remember to bring home and wash your children's nap stuff every weekend!

Important dates

July 5 *Closed for Independence Day*

Wednesdays *Water Day*

Fridays *Show and Tell*
